Book, The 5 Love Languages

FEBRUARY 29 | 7 PM

TICKETS | **$15 in advance**

You're invited to an event that will not only be a lot of fun, but will teach you how to add more enjoyment and romance to your marriage forever. Join us as Gary Chapman, author of *The 5 Love Languages*, shows us how to increase the fun, adventure and excitement by speaking the words your spouse longs to hear.

Imagine speaking a different language than your spouse—you speak French and he/she speaks Japanese. Can you expect to have great communication? No! And yet most couples try to communicate through a similar wall they are not skilled to penetrate. Until now.

Remember, it's not just a date. It's the date your marriage became more fun.
